

Bulky Item Collection Program

- ▶ Bulky Item Collection program is a user-pay system where residents who have bulky items to dispose of and are unable to use a transfer station, can book an appointment for the end of each month to have up to 2 cubic metres of bulky items collected curbside.
- ▶ Prior to 2021, the Furniture and Appliance program occurred every other year, where residents could put out up to 2 cubic metres of furniture and appliances on a specified day for collection.

Options	Details	Estimated Cost Per Average Residence
Option A: Full User Pay System	Residents booking the appointment are expected to pay full cost for the service	• Appointment estimated to cost \$78.25 • Estimated \$0.00 property tax impact
Option B: Partial User Pay System	Residents booking the appointment would pay for a portion of the fee and the rest would be covered through property taxes	• Appointment estimated to cost \$25.00 • Estimated \$0.50 property tax impact
Option C: Every other year Bulky Item Program	Residents once every two years on a designated day could put out up to 2 cubic metres of furniture and appliances	• No appointments (cost of \$0.00) • Estimated \$16.40 property tax impact
